## **Refrigeration, A/C and Gas Systems Mechanic; Handyman**

Ottawa, ON K2M2R1

[alexpgeorgescu@yahoo.com](mailto:alexpgeorgescu@yahoo.com)

+19055809257

I have hands-on experience working with and on residential and light industrial climate-control systems, and academic knowledge from school. I also have experience in various roles serving customers. I'm always looking to expand my knowledge and learn new skills, whatever they may be. TSSA G3 gas technician certified.

## Work Experience

---

### **Shift Supervisor, Yard**

Great Northern Insulation - Nepean, ON

September 2021 to January 2023

Organize, schedule and supervise team to:

- Load/unload trucks with material and product (forklift and manual handling)
- Receive shipments and maintain product inventory
- Drive/shunt around vehicles in the yard
- Work outdoors (heat and cold)
- Maintain health and safety checklists (forklifts, first aid)
- General cleanup of the shop including garbage/recycling disposal
- Other related yard duties as required

### **Duct Cleaning Technician**

Vacu-Man - Hamilton, ON

January 2020 to February 2021

- Basic furnace disassembly to open up the HVAC system and clean out dust and debris using high-pressure air and an industrial vacuum hose.
- Drive, organize, and maintain the cleanliness of 20ft box truck with heavy vacuum equipment.
- Basic truck maintenance and simple field repairs.
- Invoiced and collect payments from customers using an in-house company app on mobile.

### **HVAC Helper / Apprentice**

Avanti Mechanical - Oakville, ON

September 2019 to December 2019

- Assist the team with the installation of HVAC equipment like furnaces, and water heaters.
- Ran ducting, wiring, underneath floors, through walls (during renovations) and installation of HRVs, complete with HVAC controller wiring & programming.

### **Yard Team Member**

RONA - Oakville, ON

December 2018 to April 2019

- Tasked with the daily upkeep of the warehouse including off-loading trucks, culling lumber, organizing stock, cleaning, price labelling, & maintaining pallets/stock.
- Provided RONA customers with expert advice and assistance for their lumber and building material needs.
- Checked invoices, and assembled large orders for delivery.
- Operated reach truck.

### **Overnight Stocking Associate**

Home Depot, Cross Street - Oakville, ON

February 2018 to November 2018

- Restocking shelves, processing and packing orders, and counting inventory.
- Worked with team to split tasks and work together on large, heavy items.
- Packed & organized trailers for large orders and returns to the manufacturer.
- Operated reach truck.
